ABOUT FRIDA

Founded in 2010, FRIDA | The Young Feminist Fund is the only youth-led fund focused exclusively on supporting young feminist activism to advance social justice movements and agendas across the globe. We believe in the collective power, expertise, and innovation of young feminist organizers to address root causes and structures of inequality in order to create lasting change in their communities. To this end, FRIDA:

• Provides small flexible grants to fund initiatives led by young women and trans* youth under 30 years old with small flexible grants for core support, selected through an annual participatory review process.
• Offers opportunities for capacity development that are accessible and responsive to the needs of young feminist organizers, and based on linking and learning relationships that strengthen networks of young feminist activists within multigenerational movements;
• Mobilizes resources from both traditional and non-traditional sources, with new and modern methods, to enhance the quality and quantity of funding for women’s human rights; and
• Builds knowledge for advocacy to ensure financial and non-financial policies are inclusive and responsive to the priorities articulated by young women, girls and trans* youth.

JOB SUMMARY

FRIDA is fortunate to have had a number of progressive institutional donors support women human rights that provide core and/or multi-year support during its founding years. A major objective over the next few years is to secure funds from donors that traditionally fund youth, but that many young feminist activist groups have not been able to access. Almost all of FRIDA’s income comes from the United States and Europe, and we are looking to cultivate new opportunities in the growing philanthropic sectors of Asia, Middle East, Latin America, and Sub-Saharan Africa. FRIDA currently has 3 full time staff, with one Co-Director dedicated to resource-mobilization and communications.

The Resource Mobilization Officer will play a lead role in key aspects of FRIDA’s resource mobilization work especially in donor research, grant writing and reporting. It will also include cultivating and managing relationships with institutional and major individual donors, and supporting the creation of knowledge pieces to demonstrate FRIDA’s impact. The Officer will represent FRIDA at meetings and strategic gatherings, and contribute to FRIDA’s strategic planning, development and administration.

The Officer will be supervised by a Co-Director and work closely with the Finance and Administration Manager and Program Officer for Monitoring, Evaluation, and Learning (currently being recruited), as well as a Communications Officer (to be recruited in coming months). As a small organization, the Officer will work closely with all staff team members.

This position is a full time position. The location of the position is flexible and will be negotiated for where the applicant is legally able to reside. The salary for this position is competitive, and commensurate with experience.
