

I am a nonprofit unicorn.

I try each day to make the world better.

I am good at some stuff,
and I suck at some stuff,
and that's OK.

There's way more crap than I can possibly do on any given day.

On some days I am more productive than on other days,

AND THAT'S OK.

I know sometimes there are things that I certainly
could have done better.

I know that I can't make everyone happy...
or spend as much time as I could on everyone.

I know there's a bunch of crap I don't know.

Sometimes I make mistakes, and that's OK.

I will try my best to learn and to improve,
but I'll also give myself a break.

I will be as thoughtful and understanding with myself
as I am with my clients and with my coworkers.

I am an awesome and sexy nonprofit unicorn.
