Welcome to FRIDA

Young feminist organizing is springing up in all corners of the globe - from Mexico to Morocco to Malaysia - powered by brave women, girls, trans and intersex youth who are creating the change the world needs. FRIDA provides young leaders with the resources they need to amplify their voices and bring attention to their work, and the support, flexibility and network to keep their vision and influence alive. Proposals are due on March 15 and can be sent in any of the 7 FRIDA languages: English, French, Arabic, Russian, Mandarin, Portuguese and Spanish. To read more about the application process and FRIDA eligibility criteria please visit our website! <https://apply.youngfeministfund.org>
